Frank,  
It has been nice knowing you. You are a great kid. I hope I see you again someday. Good luck in the years to come. Take it easy Jerry K.

I want really a great person. I want you and me all the time. I want you personally. Why don't you come by and see me all the time. I would love you always. Love you always.

## FOREWORD

The 1965-66 school year has flown by on hurried wings and has now become a part of that magical world of memory.

Each of us has his own memories to contemplate, his own experiences to relive. These weave a pattern in our lives, revealing themselves in unseen ways in our future. This yearbook is meant to bring to mind a few of these experiences, a few of these memories. It is our hope that it will bring into focus the events of the past year, that in future years you might

look back on them and say, "These are the things I did, and because of them I am a more complete person."

As you turn the pages of this, the 1966 Cat Log, pause for a moment and reflect on the experiences it presents, for its purpose is to be a collection of reflections from the year past—reflections of friends, fun, wisdom gained.

We present to you the 1966 Cat Log—**"Reflections."**

Frank.  
 It's really been a  
 blast knowing you  
 thru school. We've really  
 had some great times.  
 Best of Luck Always,  
 Ken Meyer

Big bad Franky!  
 Well ol' man,  
 you've finally reached  
 the top, and now  
 where are ya goin?  
 huh, just where. Well  
 where ever it is I  
 just hope there  
 lots a broads.  
 Well big  
 senior;  
 be good,  
 ya here,  
 Jeff Walker

Frank  
 At the end we want  
 through a lot needed we.  
 Man I got to lay  
 it on. Well boy senior  
 it's over, I don't know  
 if I'll see you again  
 so take it easy and  
 there in college land  
 bear land, whatever it is  
 drivin around with that.

Frank.  
Having you as a P.E. GUY sure was fun. You're a great guy and a good friend to have. You're always there when you need a friend in the mile. Besides that you're a good guy, for a senior. Next year whatever you do will be a really big success. Good luck. Later

Screaming, shouting, and cheering of a pep assembly are all part of our tradition of school spirit.

The grannies, boots, saddle shoes, the woolly look, patterned socks, the pierced-ear look, the total look — all are a part of the year's fashion fads at West.

## OFFICE PRACTICE

The latest in teaching methods and equipment has been put into use and has proven its worth in West's new two-hour secretarial and clerical vocational office practice course which was initiated this year. The school district spent over \$22,000 for the most modern office equipment available today—chairs, desks, typewriters, and a variety of office machines. The course is actually owned and directed by the Vocational Department of Olympic College.

## DEBATE

A new debate class greeted the 1965 school year. Debate has been offered only as an extra-curricular club in the years past, and as a result, the debating was full of "sound and fury" and little else. West's win-loss record weighed heavily on the wrong side.

The class provides an opportunity to learn debating techniques, logical reasoning, and case research and organization. Its small size permits individual attention and less formal atmosphere.

## CHEM LAB

The introduction of the new Chem Study Course this year brought a revolution in the teaching of chemistry at West. Students no longer just memorize facts from a book, but make their own discoveries through lab work and experimentation. The emphasis is on learning through supervised experience. Though the new course has proven harder for students than the old, it teaches students to think for themselves and is a must for anyone planning a science major in college.

## SOCIAL STUDIES

The Social Studies Department made changes in its curriculum this year and students at the freshman level took world history as a required course. Sophomores, as well as upperclassmen, had a choice of taking a course in world cultures. Juniors and seniors found themselves in a two-year integrated course with United States history as the foundation, but interwoven with sociology, economics, government, Washington State history and government, and contemporary problems.

# AFS AND INTERNATIONAL UNDERSTANDING

First of all I want to give my sincere thanks to the people of Bremerton and the students of West High for the friendliness and helpfulness I have been met with by everyone throughout the year. This is the reason why I will go home with nothing but good memories of the United States that I admire so much.

I am beyond doubt that the AFS program of exchanging students is the best way to promote international understanding and peace, because the impressions you get when you are young are something you carry with you forever. Because of all the things that threaten mankind with destruction today, we must all strive for world peace. To be able to do this you must believe in mankind, and to believe in this you have to have experienced the good sides of people which I have to a large extent during the year.

Last I want to express my hope of seeing some of you in Norway sometime, and that you then will understand what it has meant for me to be able to live with you here for a wonderful year.

ATLE SOLHEIM

"Namastay" Greetings from India! This was my first introduction to the country that became my home for the summer of 1965. As a representative of West, I was granted this opportunity by joining the large family of American Field Service as an American abroad. Our family of 700 students from all parts of the United States sailed on the "Seven Seas" from New York to Rotterdam, Holland, and then traveled to our various destinations. I flew to Bombay, India.

I lived with a Hindu family in Poona, about 100 miles from Bombay, and soon became an integral part of their family life. I was happy that I was chosen to go to India for I was faced with the challenge of adjusting to a culture very different from what I was accustomed. Living in such close contact with a family is a difficult yet rewarding experience for in no other way could one get such a good insight into the heart of a country and its people.

MELE HOWLAND

of  
Franklin,

My dear boy to say that  
I've enjoyed our little intel-  
lectual sessions is nothing  
short of saying how much  
I like candy and if you  
knew how much I like  
candy you would know  
that I'm madly, madly  
insanely in love  
with you!!!!

Have fun  
this summer  
and behave -  
I don't want to  
hear about any  
more lectures!  
Which I'm sure  
I won't.

Lots of Love

**Student Council**

The first day of our last year. The halls filled with the excited chatter about the summer months and places we went and the things we did. But the summer memories soon faded with the rush of new teachers and homework.

Then Homecoming Week was upon us. Robin was crowned queen and she cheered her team on. These moments she will remember "Only Forever."

From the far north Atle Solhiem arrived from Norway . . . a school levy was passed to fix our leaking roof . . . mistletoe was sold to boost the Christmas spirit.

Football was sad this year, but our school spirit made up for our lack of points. Basketball was the same way, but our cheerleaders yelled as loud as ever.

The senior play, "Hot Ice," was a comedy-mystery full of fun and suspense. In the spring the Old West came alive in our midst as West and East put on the musical "Oklahoma."

Spring vacation arrived and everybody drew breaths of relief. This brief week gave everybody new life and energy to continue for the rest of the year.

Announcements soon arrived and seniors ran around claiming name cards, and the excitement of graduation grew.

College applications were turned in at the last minute and cap and gown measurements were taken.

With graduation upon us, many stopped to ponder. Joy and sadness filled our hearts; and missing from our midst was Tim Higgins who died this past summer.

Then it was all over, and we knew there would never be another class like ours.

# JUNIORS FOLLOW COMPETENT LEADERS

**MIKE MATLOCK**  
President

**SHELLEY ROCKWELL**  
Secretary

**JEFF MASON**  
Student Council

The class of 1967's first year as upper-classmen began with a bang. The class ring sale was first on the slate. The class chose the "Two-plus-Two" design.

This year's junior prom was held on December 11, at the Olympic College student lounge. The theme, "Charades" was enhanced with a burgundy and pale pink color scheme. The annual Christmas food drive was also held in December with the election of a Christmas Princess.

This year's Junior Class officers were president, Mike Matlock; vice-president, Denny Ball; secretary, Shelley Rockwell; treasurer, Patty Parker; and student council representative, Jeff Mason, with Mr. Harader as their adviser.

Representing the Junior Class on Rally Squad were Claudia Brott, Stephanie Haselwood, and Pam Muller. Marilyn Wheeler was the lone junior Majorette.

A rock'n roll dance was held shortly after Christmas. The coming of Spring brought several car washes and a profitable hall sale, along with the junior talent assembly.

Sophomore victors in this year's food drive chose Kathy Perrone as queen over the Christmas assembly. Gerri Hendry reigned as their class princess. Kathy and Gerri were also members of the rally squad.

Elected as Sophomore Girls' Club Representatives were Peggy Parsley and Linda Salmon. Many Sophomores were active in the band and drill team, with Charlene Ward serving as a varsity majorette.

With such fine players as Bruce Larson and Jim Kruchoski leading the way in football, and Rick Garland and George Jessup in cross country, the Sophomores came through with outstanding sports records.

Class members participated in car washes, game concessions, hall sales, and planning decorations for baccalaureate services. They excelled in music, sports, scholastics, and activities. The Class of 1968 now faces confidently their remaining years as upperclassmen.

# OFFICERS SUCCESSFUL FOR FRESHMEN

**RON KARLBERG**  
President

**LINDA KEMSKI**  
Secretary

**TOM TREGER**  
Student Council

This year's freshman class had a very exciting year, and they showed much enthusiasm. Under the guidance of their adviser, Mr. Wade, and their officers, Ron Karlberg, president; Linda Kemski, secretary; LoRayne Langton, treasurer; and Tom Treger, student council representative, they made this year a complete success.

To start off the year's activities, they chose Marsha Blank and Debbie Kroke to represent them on the Girls' Club Cabinet.

With a lot of school spirit shown by the students and the great job performed by the cheerleaders, Queen Barb Mears and Princesses Jacque Mitchell and Karla Plummer, they cheered their teams to victory. The undefeated football team had a successful year taking first place.

They showed their enthusiasm by taking first place in the A. S. B. Card Sale, and they also held car washes and a licorice sale.

Participation was once again shown by the students who took part in the freshman choir, which was very good, and showed many promising singers for the years to come.

This year will be remembered always, but the freshman class of 1965-66 are eagerly awaiting three more memorable years at West High School.

The Executive Board, which meets every Tuesday, consists of the five A.S.B. officers and the Girls and Boys Club presidents. As newly elected officers, they help select candidates for Rally Squad by serving on the screening board. Throughout the year they plan school activities, find solutions for school problems, and organize different types of drives.

The A.S.B. president is master of ceremonies at assemblies and represents West at numerous conferences. The vice-president plans and presides over student council meetings, while the treasurer prepares and sells 1700 A.S.B. cards. The secretary's responsibility is to record the minutes of student council and executive board meetings. The judge presides over all student court trials.

Student Council in Action

Student Council is the legislative organization of the student government. It's members include a representative from each home room, the four class presidents, and the executive board.

Jim Matsuyama was the presiding officer for the 1965-66 school year, with Sue McKnight as recording secretary, Jim Creelman as sergeant-at-arms, and Eric Lindstrom as parliamentarian.

The various committees set-up in Student Council are Traffic Safety, School Spirit, Campus Beautification, Constitution, Student-Faculty Relations, and Evaluations, which oversees the others. A new committee was formed this year, called the filing committee. This committee collects reports and summaries from each committee of formal dances and keeps them on file for future reference.

FRONT ROW — Dawkins, McKnight. SECOND ROW — Olafson, Simkins, Myer. NOT PICTURED — M. Williams.

Members of traffic court for the 1965-66 school year were; judges, Maureen Williams, Linda Dawkins, Ken Meyer, John Simkins, and Laurie Olafson; recording secretary, Sue McKnight; and bailiff, Mike Brewer.

West High traffic court works with assistance of the Kitsap County Juvenile Court. Students of West who are brought into court on traffic violations are given a choice of juvenile procedures or the result of a West High traffic court decision. It is because of this choice afforded the violators that the West High court has very few cases. Students seem to prefer the county juvenile courthouses.

Screening Board consists of six students and an advisor. These students are chosen in September by the Student Council to serve for one school year.

The purpose of the screening board is to screen all warrants issued by the Golden Paw. They may then send the offender to court for prosecution or warn them of the possible consequences if another warrant is received. After their first offense students automatically go to court for each additional warrant. Anyone pleading innocent automatically goes to court. The Screening Board has the power to send offenders to court without screening them first.

Golden Paw enforcing rules.

Golden Paw is the Police force of West High School. It is composed of fifteen juniors and fifteen seniors. These students are chosen by the faculty and the student council. Students with a "C" average or better and with a good citizen record are eligible.

The Golden Paw is one of the most important service clubs of West. They are part of the judicial department of our government. For it is the duty of the members to uphold and enforce the student council rules. Serving as the police force of West High School, Paw members are authorized to give out warrants to students who violate the student council rules. Violaters are brought before the screening board and given the chance to plead guilty or innocent. On receiving a second warrant the violater automatically goes to court.

The officers and representatives of Boys Club conducted many meetings during the year to decide on the future activities for a better club. The meetings were held on the second and fourth Tuesday of each month. The purpose of the meetings was to plan the forthcoming events.

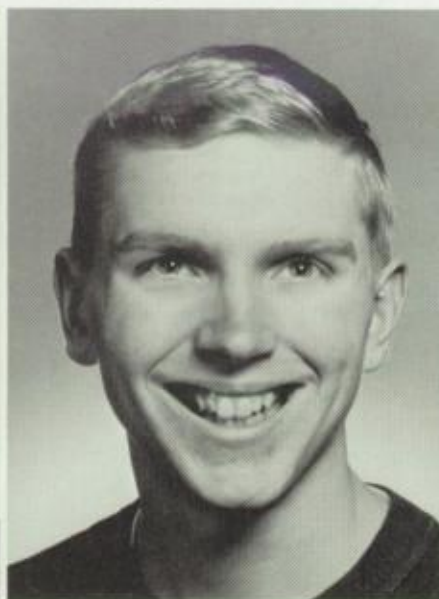

Successful activities held this year included a

decal sale in November, an assembly in October and an after-game, East-West dance. Assemblies were held in the manner of a meeting for better understanding of what Boys Club is doing and its purpose.

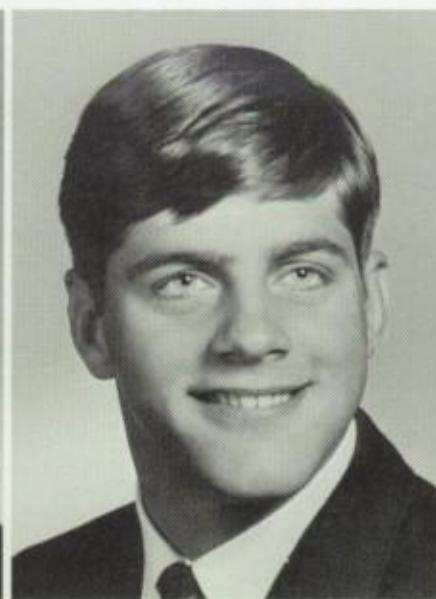

Our main goal this year was to create inspiration for participation in Boys Club.

At the beginning of the school year each homeroom elects a girl to serve as its activette. She then attends meetings each month with Girls Club officers and cabinet members to discuss and make plans for the Girls Club activities. Activettes then present these projects to the girls and return their opinions back to the cabinet. She serves as a go-between for the cabinet and the female portion of the student

body. In addition, she provides ideas for other projects and is always around to lend a helping hand.

Some of the projects in which the Activettes played a major role were the Christmas Cookie sale, decorating the Christmas tree, concessions, tolo week, the Cotton Ball, and the Senior tea and installation of new officers.

# STATE TAUGHT FUNCTIONS OF GOVERNMENT

Each year 375 girls from all parts of Washington assemble for a week at Central Washington State College to organize governments.

This year the girls were divided into nine dormitories, each of which was a city. Two or three cities constituted a county.

Running for offices, campaigning, voting, hearing guest speakers—all contributed to a wonderful feeling that each girls stater developed. We understood the workings of our great democracy and grew to love our way of life so deeply that it was almost a tangible feeling.

Pacific Lutheran University was again the location of the American Legion's Boys State. Sponsored by local organizations, four senior boys represented West for one week last June. The week was filled with lectures and meetings in which more than 500 boys learned about and established city, county, and state governments. By taking an active part in the activities, they learned that Boys State is an invaluable opportunity to learn about citizenship.

Thespians were the only club to come up with the original idea of selling pickles in the halls during the lunch periods as a money raising project. It was a very successful sale.

The senior play, "Hot Ice" kept the Thespians busy during the fall. Acting in the successful mystery-comedy were Sue Reichmann, Kristi Newbill, Steve Blondheim, Nancy Bixby, Kae Taylor, Laurie Olafson, Mike Boustead, Vicki Moss, Kathy Mahan, John Clauson, and Carol Lyman.

## LAIR STAFF PRODUCES EXCELLENT PAPER

Lair staff in action.

Being the school newspaper, the **Lair** is one of the most functional organizations at West. It is distributed every three weeks without charge to A.S.B. card holders. **Roto**, a magazine supplement, is included monthly.

Most of the **Lair's** financing is done through advertisements. The **Lair** also receives a percentage of the A.S.B. fund.

Journalism students are required to take a quarter of preparation before working on the **Lair**. During this time they learn to write features, editorials, sports, and other types of stories. The class is also taught how to write "heads", plan pages, and proofread. In addition, methods for obtaining ads are studied.

The 1965-66 school year began with absolutely nothing for the Cat Log staff to begin working on. After positions were assigned, each went to work digging into their imaginations for stupendous ideas—ideas anyway. As the theme of the 1966 Cat Log, Reflections was chosen.

As the year flew by, the staff strived to meet

each deadline on time with enough interesting material from the 1965-66 school year.

Now that the year is over the staff sits back and looks at the results of their efforts and hope that the students will approve of the results and appreciate the changes made.

The Modernaires, under the direction of Mr. Mantzke, were outstanding this year. The high standard of musicianship with which they began the year continued throughout all of their many performances. The group performed for many civic organizations and gained recognition and appreciation for their excellent programs.

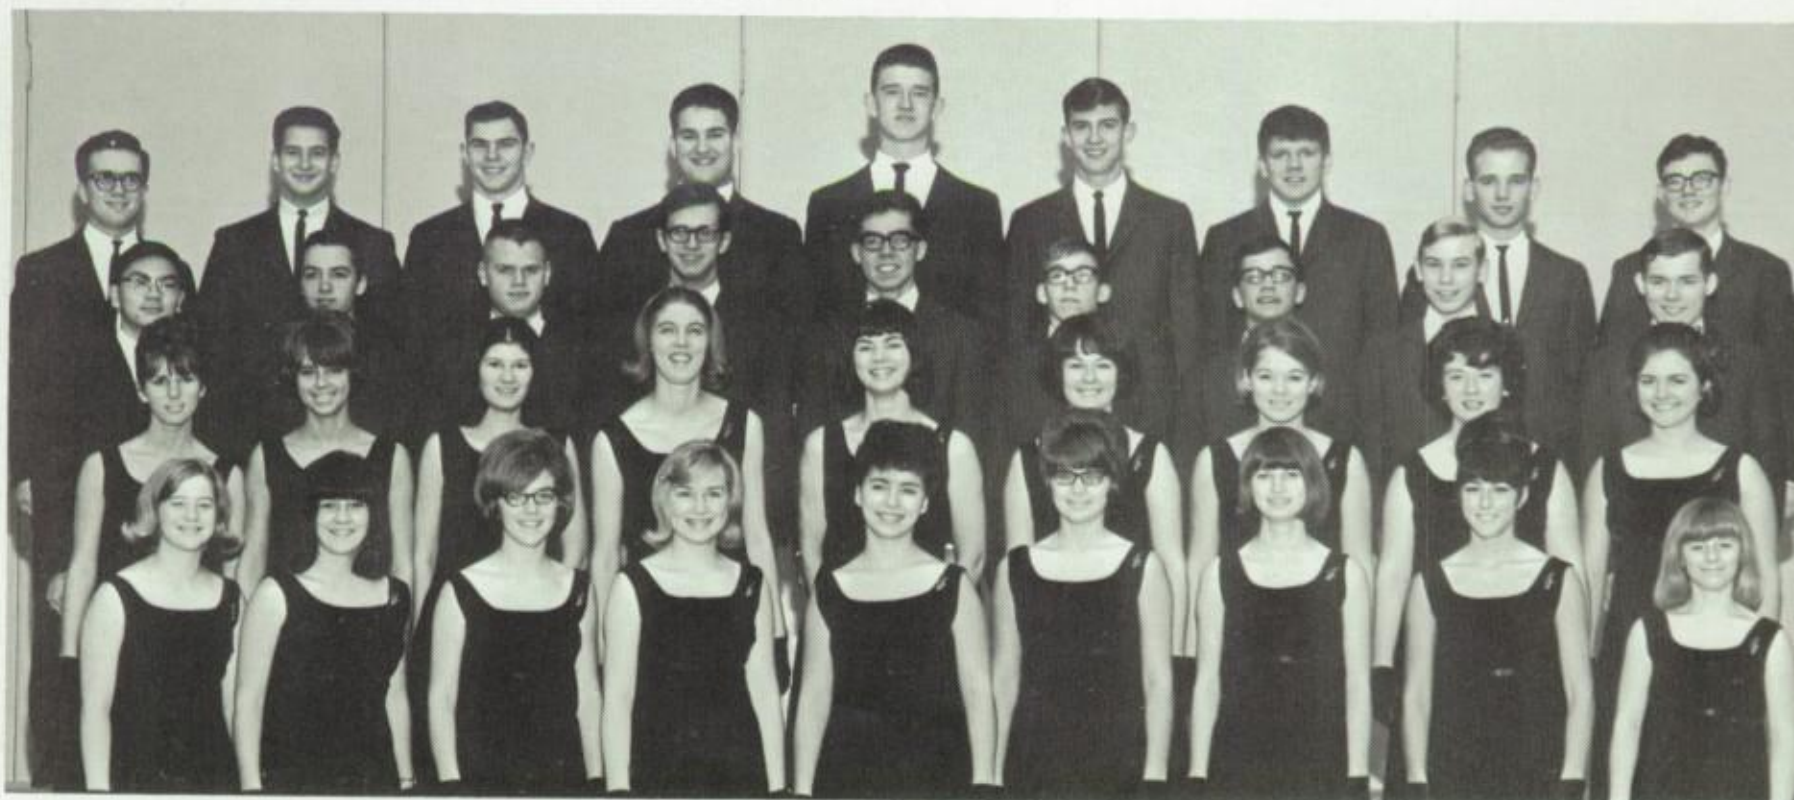

Highlights of the year included two radio performances, high ratings received by all the

small groups and soloists from Modernaires that participated in contest in February and the musical, "Oklahoma." The group again proved its excellence by rating among the top groups at choir contest.

The long practices and extra work done by both the director and members of Modernaires resulted in their successful season.

The best choir in the state, known as the West High Choir, had a swinging and successful year. The choir, directed by Mr. Mantzke, was kept busy by many performances at various concerts. Included among these were the Christmas and Swing Concerts at West. At the Armed Forces Day and Spring Concerts, West music students blended voices with East music students.

In March the choir ventured to Seattle for contest where they received high ratings at the annual choir contest. The ferry ride, singing and listening to other groups, proved to be rewarding as well as fun. Graduation and baccalaureate exercises completed the wonderful year for choir.

## MUSIC GROUPS PROVE THAT ALL OF THOSE

The Choralettes consists of junior and senior girls selected for their outstanding music ability. As a select group both in musicianship and voice, their music varies from traditional to contemporary. Officers who led the group through many performances on numerous occasions throughout the school year were Jan Baker, president; Margo Cohen, vice-president; and Kristi Newbill, secretary-treasurer. The members of the Choralettes attended solo, ensemble, and group contests, entertained at various functions and activities, and enjoyed a busy and successful year.

Choralettes work very hard to make their group outstanding.

## TOUGH REHEARSALS ARE WORTHWHILE

### SEXTETTE

The members of the Sextette have achieved fame and honor throughout their four years of service to West High School. The members of the Sextette include a cheerleader, a Girls' Club president, a soloist, two delegates to All-State Choir, and an AFS exchange student. The versatility of the group and professional manner in which they perform has made the Sextette one of the truly outstanding groups of West High.

### FROSH CHOIR

Although small, the Frosh Choir has been tagged "swinging". They have shown good quality and will be a promising addition to the music department in the years to come. They have sung for various occasions such as Parents' Open-house, the Christmas Concert, Spring Concert, and also Graduation and Baccalaureate. In addition to performances, the Frosh Choir has sent various soloists and ensembles to contest, which is held in the spring of the year.

The West High School Band once again kept a very busy schedule during the school year, starting out with many halftime performances during football season. They played for the annual Christmas Concert, Swing Concert, Armed Forces Concert, and Spring Concert, participated in the District Band Contest and marched in several parades. Highlight of the year was a trip to the Portland, Oregon Rose Festival where they once again pleased thousands of people with their snappy marching and interesting drill routines.

Five members of the band—Eric Lindstrom, Claire Mortensen, Sue McKnight, Gordon Lent, and Marcie Madden—were selected for the All-State Band which met in Spokane in February.

The orchestra wore for the first time their new outfits at the annual Christmas Concert. In addition to the traditional events such as the Swing Concert, Spring Concert and the Armed Forces Concert, they also found time to participate in the District Orchestra Contest and performed for local service clubs. Three members of the orchestra—Mele Howland, Linda Larson, and Carol Bichon—were selected for the All-State Orchestra, which met in Spokane.

Several others participated in the "pit orchestra" for the East-West production of "Oklahoma." Since only seven seniors graduated from this year's group, Mr. Bissell is anxiously looking forward to next year and the many string players graduating from Coontz, who undoubtedly will uphold the reputation the orchestra has earned through hard work and diligent studying.

This year's pep band, again under the direction of Mr. Bissell, was one of the best West has ever had. The new music and fresh new half-time ideas were certainly in evidence and added much school spirit to the basketball games. The pep band played for all pep assemblies and home basketball games and accompanied the majorettes and drill team in several new half-time shows.

Dance band once again proved to be a welcome addition to the music department. They continued at a very notable pace after winning the Outstanding Band Award at the 1965 Seafair Stageband Festival and second place in the O. C. Jazz Festival. During their busy year, the dance band still had time to play for some of the home basketball games, assemblies, and high school dances.

This year saw the largest second band in the history of West High School. Many of these members eventually will move up to first band to carry on their reputation, "The Pride of Puget Sound," which has become so well known around Bremerton.

Second band performed as a part of the annual Christmas Concert, annual Spring Concert, and for some of the freshman basketball games.

This year 13 West High School students from

both the vocal and instrumental departments went to All-State. These students were chosen because of their talents in vocal and instrumental music.

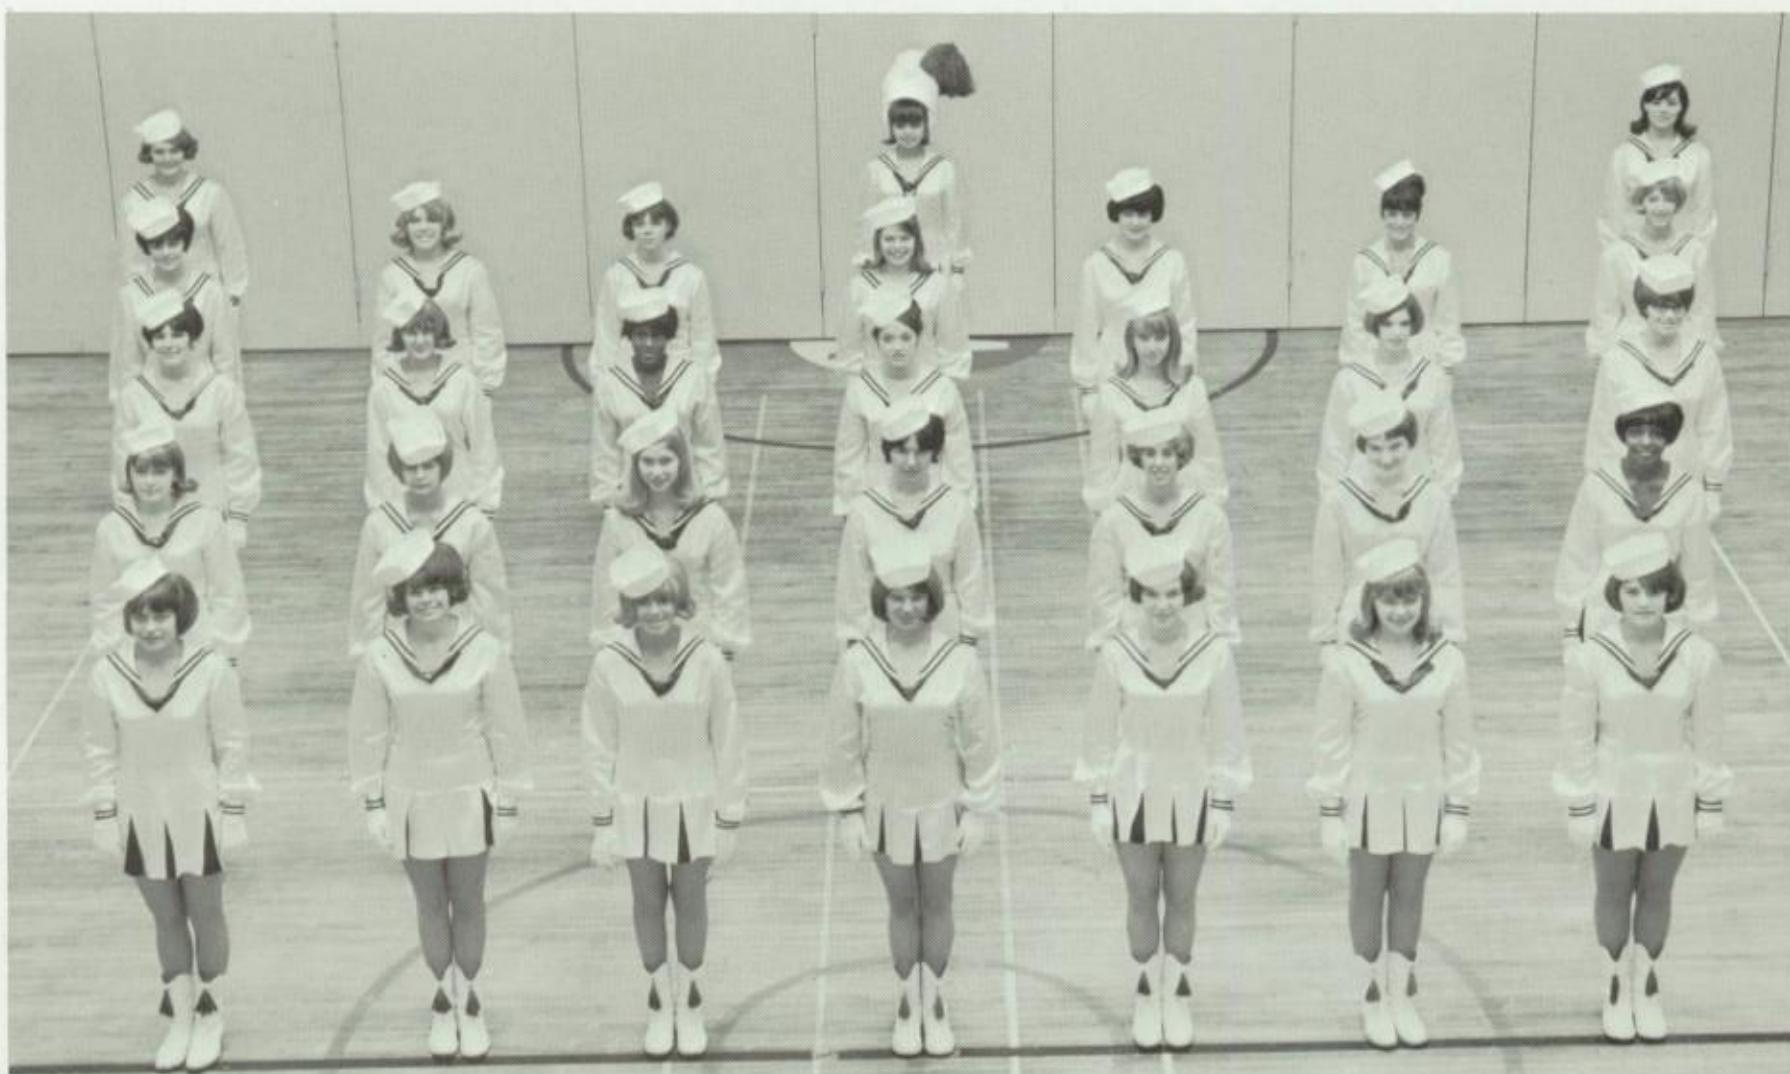

All-State was held at Washington State College in Pullman, Washington. It consisted of students who are outstanding in their particular kind of music, whether vocal or instrumental. These students come from all over the state of Washington.

Drill Team changes to new uniforms.

Drill Team is an exciting experience and honor that is bestowed on a few chosen girls every spring. The precision Drill Team, under the direction of Mr. George Mantzke, performed throughout the year in varied events.

Some of these events included the greeting of ships at Puget Sound Naval Shipyard, football and basketball games, and parades. The parades took them to such places as Seattle, Shelton, Tacoma, Port Townsend, and Portland, Oregon.

This past year, something new was added. Our halftime shows included routines from the controversial 007 sounds of "James Bond" to the ever famous "Kids" and "Mickey Mouse." In accordance with the musical variations, we also attempted to change our attire to fit the musical arrangements, thus hoping to create more enthusiasm for not only the girls, but the school as well.

## SENIORS CHOSE TOP TEN

Homecoming activities for 1965 started off with the selection of the Top Ten by the Senior class. They were presented to the student body in an assembly and then the students voted for the Homecoming court.

Chamber of Commerce members worked long hours on plans, decorations, and countless details.

On Thursday night, with a background setting of royal blue and shimmering gold,

between tall, stately hourglasses, passed a timeless and thrilling moment for Queen Robin Tobacco.

Robin and her court led a car caravan through town before the West-Wilson game Friday night. Saturday night ended the year's Homecoming activities with a semi-formal dance. The excitement is gone, but the memory will last—**"Only Forever"**.

Oly meets heart-throb.

There's nothing like a good mystery—but wait! Why is the audience laughing? Here a run-at-the-mouth detective (John Clauson) is accusing an upright family like the Warrens of pulling a bank robbery, and it has turned into complete chaos. Will Mr. Warren (Laurie Olafson) and Mrs. Warren (Kae Taylor) finally straighten out their misunderstanding caused by that busy-body Mrs. Noster (Vicki Moss)? What will Velma (Sue Riechmann) do when she discovers her beau, Earl (Steve Blondheim),

is also putting on the disguise of his "twin brother," Russel? And what about Olivia (Nancy Bixby), the Warrens' hired girl, and her feelings about that star of the stage, Mr. Moore (Mike Boustead)? Oh, and wouldn't you know that imp, Pat (Kristi Newbill), was in on **almost** everything.

As they say, "All's well that ends well." And this is one play that did. Carol Lyman, student director and Mr. Harader whipped the play into shape in less than the usual time.

Stage crew makes excellent props for Senior play.

Mrs. Noster writes love letter.

# SOPHOMORES WIN ANNUAL FOOD DRIVE

Anybody hungry?

President Rich Costello and Queen Kathy Perrone.

West's annual food drive got into full swing as students from the various classes began canvassing the city for food, each with the hope of having their class win and their princess become Queen of the Christmas assembly.

This year something new was added as a means of collecting the food and telling which houses it had come from. Each group of class officers got together and divided the city into

sections and then assigned groups to go to just these designated. This turned out to be a very profitable idea.

The Sophomore class won the food drive, and Kathy Perrone was crowned Queen of the Christmas assembly for 1965. At the assembly the various music groups performed with a Christmas concert.

## DANCES WERE WELL-ATTENDED

**Homecoming Queen** Robin Tobacco and Bob Duryea

The 1965 Homecoming Dance wound up the homecoming festivities. Queen Robin and her court reigned over this final festivity in their honor. The decorations were the best produced in years. The theme "Only Forever" was carried out in colors of royal blue and gold, with hour glasses. Each couple received a tiny hour glass as a favor to remember the evening by.

All those who attended the 1965 homecoming dance, and especially Queen Robin and her court will remember the dance and week's activities "**Only Forever.**"

Couples pause to await next dance.

**Junior Couple** Claudia Brott and Mark Diefendorf

The theme for this year's Junior Prom was **Charade**. The dance was held in the O.C. student lounge.

Black silhouettes along the walls and masks handed to each girl helped to carry out the theme.

Mark Diefendorf and Claudia Brott were chosen as the Junior Couple. All who attended the Junior Prom thoroughly enjoyed themselves and will remember the night as one of the most exciting of their high school careers.

Couples pause from dancing for refreshments at Junior Prom.

## ALSO ADDED TO ENJOYMENT OF ACTIVITIES

Seniors dance to music of East High School's dance band.

East's "E" Club and West's "W" Club again joined forces to produce the 1966 Sweetheart Swirl. The swirl was held on February 19 and climaxed the end of Tolo Week. The theme was "Enchanted Evening." This year the dance was held in the East High Cafetorium.

Each High School chooses a sweetheart couple. West's "Sweetheart Couple" was Linda Dawkins and Rich Costello.

The 1966 Sweetheart Swirl was a dance that will remain in the hearts of all who attended as a truly **"Enchanted Evening."**

**Sweetheart Couple**—Linda Dawkins and Rich Costello

**"A Taste of Honey"** was chosen for the 1966 Senior Ball. The theme was carried out with flowers of all kinds and bumble bees. The couples entered the gym through the heart of a large daisy. Inside, couples found a garden of daisies growing, from which each couple could pick a daisy with their names on its leaves.

The East High Dance band serenaded the couples. Chosen as "Senior Couple" was Cindy Rawlins and Brad Pearson.

## PAN AMERICAN DAY COURT 1966

Pan American Princesses, L to R—Latin Princess Kathy Smith, French Princess Sharon Jones, Queen Marilyn Carter, German Princess Maureen Williams, Spanish Princess Dennice Dobeas.

Spanish Club members receive instruction on how to make flowers.

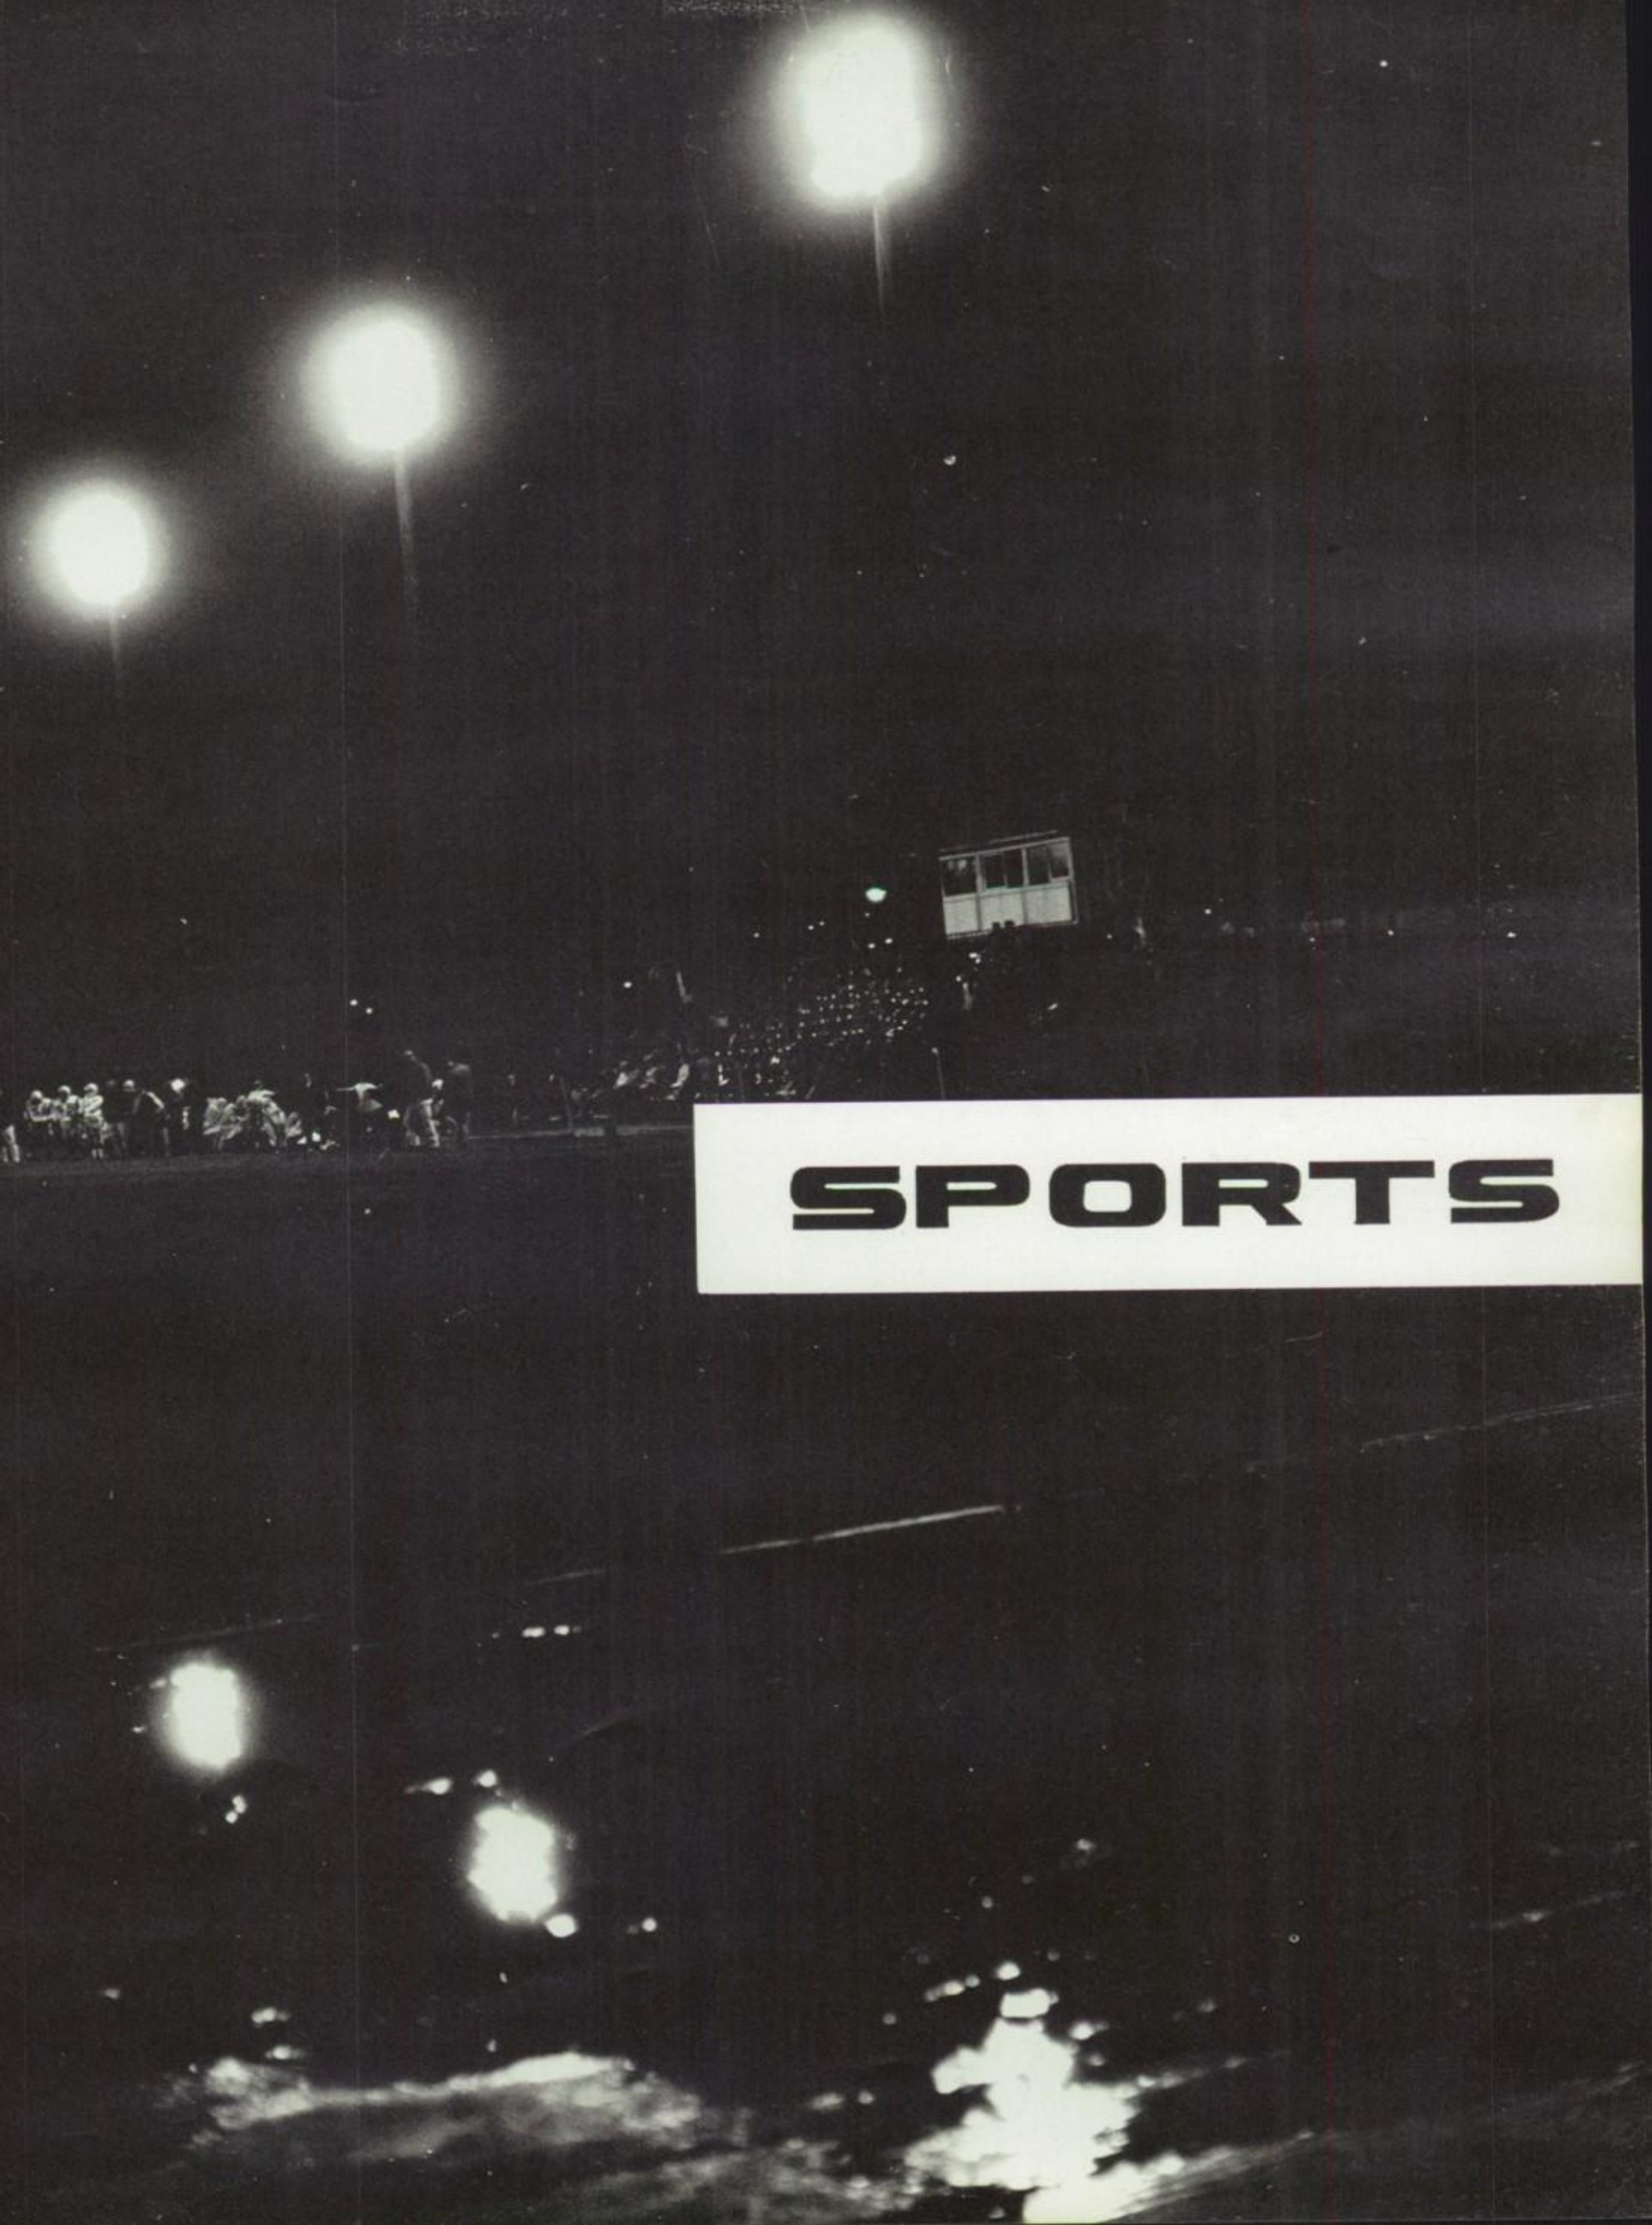

Pan American Day Assembly for 1966 was held on March 31. The court reigned amid decoration of pink, green and white.

Each language club was represented by a princess chosen from the clubs. Since Spanish is the only language from the Pan American Union offered at West, Spanish club chose the queen. Marylin Carter was chosen as queen; Dennis Dobeas, Spanish princess; Sharon Jones, French princess; Kathy Smith, Latin princess; and Maureen Williams, German princess.

West's foreign exchange student, Atle Solheim, crowned Queen Marylin. The Swingmasters serenaded the court, and each language club put on a skit about their country.

Chairman for the Pan American assembly was Tony Smith; decorations, Sue Mercer; publicity, Diane Cohen; skits, Marylin Carter; and Miss Lynn McDougall, adviser.

# TEAM'S EFFORT BOOSTS SCHOOL SPIRIT

ABOVE—Excitement rises as West blocks Aberdeen's attempt for a T.D.

BELOW—Mike Matlock carries the ball.

LOWER LEFT—Emotions were tense on the sidelines during the East-West game.

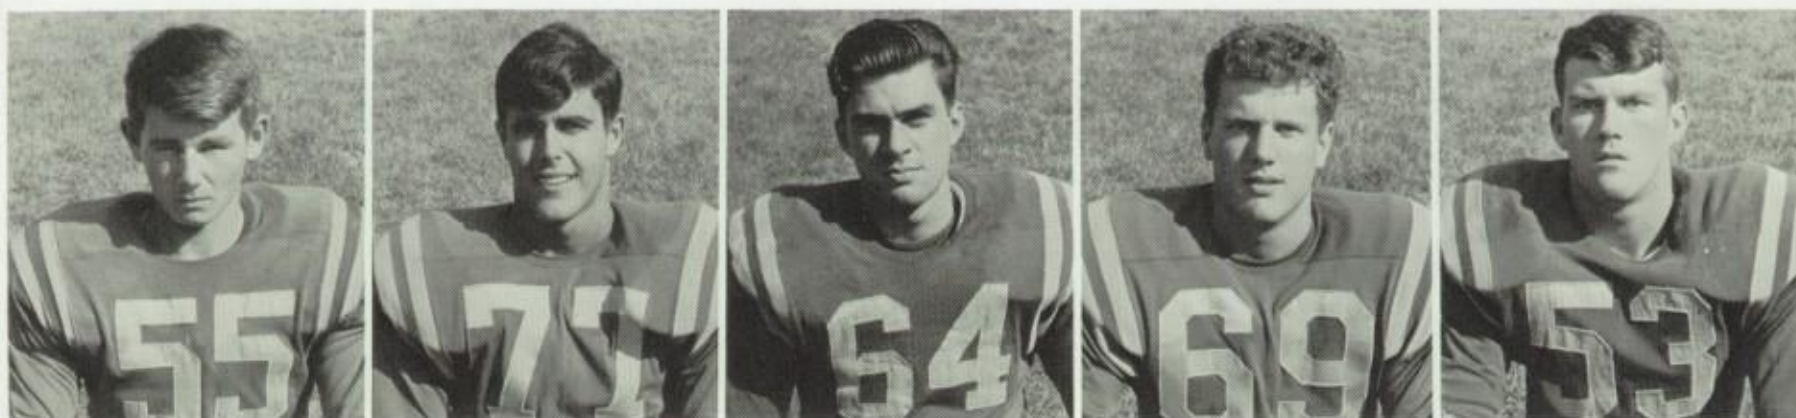

The Wildcats had a fine defense this season, but did not have the offense to go with it. They finished the year with a three-win, six-loss record. Terry Durst, or, as he has been nicknamed, "The Horse," led the team in rushing and scoring with 18 points and 546 yards gained.

In the first game against South Kitsap Walt Harrell, first string end, was permanently benched with a broken arm. This was the first of a long string of injuries which plagued the Wildcats. Jim White and Steve Holl, also first stringers, were both put out for the entire season with a dislocated shoulder and broken arm respectively. Several other players were benched temporarily with minor injuries.

Despite these setbacks the Wildcats put up a good fight. They showed great sportsmanship and team spirit.

## SOPHOMORES LOOK FORWARD TO VARSITY

Many hard practices pay off with wins.

This was a good year for the sophomore team with a six-win, one-loss record. Their only loss was to the East High Squires, in a hard fought, 12-0 game. For the entire season West scored 143 points with only 37 scored by their opponents. Bruce Larson was high scorer with 65 points on his record. The West team had a strong defense with a lot contributed by Eric Anderson and Randy Holt, both linebackers, and Steve Peterson, a tackle. Brian Horish proved to be a fine quarterback.

The second team played three games, all against Central Kitsap, and won all three.

The freshmen had a victorious season this year. They not only were undefeated throughout six games and the jamboree, but won the county Frosh Championship for the fifth straight year. In all their games they scored 125 points with only 25 points chalked up against them. Leading the Kittens in yardage gained and scoring were Mike Strand and Ken Lewis.

The team had a very strong defensive and offensive line with several hard running backs. This was a top freshman team with many prospects for our future varsity teams.

The varsity basketball team finished the 1966 season with 9 wins and 11 losses. Although the win and loss record was not impressive the team put forth exceptional effort during the season. The team played some exciting games, losing two double overtimes. The team's best games were against Lincoln and East—losing to the strong East High team and defeating Lincoln, the Tacoma and Capital League champions, 52-43. The team's top scorer was Walt Harrell with 205 points, followed by Bryan Harden with 151. The team was composed of six seniors—Bryan Harden, Walt Harrell, Jim Hoffman, Paul Ingman, George Smith, and Jim White. Walt Harrell and Bob Christensen were the top rebounders on the team. This group of six seniors will be greatly missed next year.

Next year's prospects look bright with five players returning from the varsity and several fine prospects from the Junior Varsity, Sophomore, and Freshman teams moving up.

Scoring during the season was led by Russ Kissinger. Also contributing valuable points and rebounds were Howard Strong, Pat Munns and Mike Matlock.

Although the season wasn't the best during the last few years, the team had its highlights in the season. Coach Jensen summed up the season saying, "I was disappointed in the season, but not in the potential of the players."

Bill Muth lays one in during the Mt. Tahoma game while Dick Wolfe, 15, and Doug Olson look on.

This was the first year in which the West High Sophomores played in the Capital League. After a slow start during which the sophomores lost five of their first seven games, they finished the season by winning ten of the next eleven for a twelve win—six loss record. Led by the scoring of Steve Larson (258 points) and Rick Herdman (174 points) and the rebounding and defensive play of Dave Goninan and Dick Heistand, the sophomores displayed a good attitude, tremendous hustle, and much improvement. Although they played against taller teams in seventeen out of eighteen games, they were beaten in rebounding only four times. They made up in effort what they lacked in height. These boys will be a very good addition to the varsity in the next two years.

The Wildkittens started the season by winning both games in the jamboree against Marcus Whitman and Central Kitsap. In regular play they finished with five win—seven loss record. However, all games in which they lost were close and exciting. Five of the seven were within four points. High scorers for the season were Darrell Nelson, Steve Wortman, Ken Lewis, and Dave Walsh. Nelson led the team in scoring. The B-string was quite successful with ten wins in their twelve games.

The wrestling team of West High School had a very successful season with a 10-1-1 record. The only disappointments were a 20-17 loss to Stadium and a 20-20 tie with Mt. Tahoma. Wrestlers with outstanding records were—Lyle Ballew, 145 pounds, 12-0; Ross Robinson, 191, 10-0-1; Terry Peterson, unlimited, 12-0; Dick Bell, 112, 10-0-1; Bob Aduddell, 133, 10-1; and Bruce Buskirk, 127, 9-1; Peterson was top point getter with eight pins during the season. The highlight of the season was beating East twice 21-19 and 29-13.

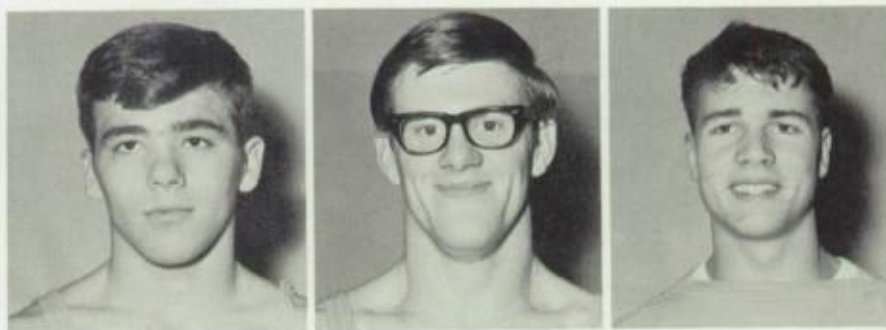

West dominated the subdistrict meet by qualifying seven of twelve matmen into the West-Central District Tournament. West brought home the third place team trophy.

## JAYVEE TEAMS GET GOOD EXPERIENCE

This year wrestling took its place among major sports at West High. Night matches, a growing amount of spectators, the pep band, and cheerleaders added to the natural excitement of wrestling. Fans experienced much tension and many thrills during the matches which usually ended in victory for the Wildcats. Many of the junior varsity matches were won by forfeits because the opponents were often overweight. Chuck Semancik's stiff training program left little chance of our boys exceeding the weight limit, even on the Jayvee team. Although complaints were often heard, the boys were happy when they seldom forfeited a match. Everyone felt special pride when our boys, al-

though winning by default chose to wrestle anyway. In these extra matches our matmen proved their strength by often winning. Throughout the season Jayvee members were often moved up to the varsity team. A position on either team was always open to change. A varsity man knew if he didn't keep in top-notch shape and obey training rules he would soon be replaced. Competition was stiff between the teams.

The Jayvee teams showed much promise for next year's varsity team. As underclassmen, they now have the experience to be top grade wrestlers. They are a great bunch of kids who should be commended for their efforts.

## CRACK OF BAT LIFTS CATS' HOPES

With the crack of the bat our West High Wild-kittens surged into a lively and eventful season. Spectators were thrilled at hits putting another man on base, but most exciting were the times when the ball was blasted out of the park for a home run. The fine fielding and batting showed these boys knew their jobs and did them well. The good cooperation between pitching and catching helped a great deal.

This year Coach Smith taught the boys not only the fundamentals of baseball but good teamwork as well. These boys will add a lot to the varsity next year and we are all looking forward to seeing them in action.

Up . . . and

. . . Over

West High's 1966 track team proved themselves through many outstanding performances. Ken Tropple was outstanding in the 100 and 440, while Mike Brewer, Bob Dickerson, and John Blair were tops in the 880. Mike O'Keefe paced the team in the mile run and Darrel Hanberg, George Jessup, and John Warhol in the two mile. The star in discus throwing was Bob Christensen; Mark Diefendorf and Laurie Olafson were outstanding as hurdlers. Pole vaulting events saw vaulters Devon Blankenship, Mike Matlock, and Bob Blair gathering many points.

Spring brought great improvements for our track and field facilities. New all weather runways for the high jump, broad jump, and pole vault were installed, and the surface and drainage of the running track was greatly improved.

## CROSS-COUNTRY BEATEN ONLY BY STADIUM

This year's cross-country team had a very successful season. The regular season ended with 9 wins and 3 losses. All 3 of the losses were to Stadium. After the regular season, the runners went on to win the county meet, place third in the Capital League meet, and place thirteenth at the state meet.

Through the year, Darrell Hanberg proved the most consistent. He went through the regular season undefeated and then went on to become the county and Capital League champion. John Blair, George Jessup and Rick Garland also placed consistently.

With the return of the top four runners from the varsity team and many coming up from the junior varsity, next year should prove to be very successful.

Pulling Cleopatra's carriage???

This was the smallest freshman team in many years at West. Though lacking in number they weren't lacking in potential or effort. This season was the first brush with track for many of the boys. They did very well throughout the season in spite of this handicap. Their first year of track can be summed up as a successful training period for next year's varsity team.

Darryl Nelson was an excellent performer, excelling particularly in the high hurdles. He was teamed up with many fine performers in all track events. These boys showed a lot of get-up-and-go which will be very valuable in future years.

The gymnastics team had a very successful season. This was the first winning season for West as the team finished with an 11-4 win-loss mark.

The team was a young one with only two seniors on the team. Arnold Barfuss and Mike Magill, our seniors, were consistent point makers for the team.

Top man this year was Jim Ratley, who scored 220 points this season and placed 11th in the all-round event in the state meet. Rex Ingram and Frank Perrone scored 106 and 105 points respectively over the season. Other top performers were Bernard Karlovich, Keith Prosser, and Jim Roberts.

The prospects for next year are very good with six lettermen.

## GOLF TEAM'S EFFORTS SHOW IN VICTORY

The Golf Team had three returning lettermen this year—Mike Ogg, a senior who played first position last year; Dick Green, a senior in third position last year; and Mike McMahon, a junior in second position last year. Their strength provided the backbone of the team. The number four and five positions were filled with less experienced, but good, golfers Mark Elmore, John Simkins, Tedd Hudanich, and others of equal ability.

Our first five team members participated in twelve matches, meeting with twenty teams. Our second team of five had four practice matches.

This year a \$100 scholarship was offered to an outstanding senior golfer.

Miss Golz greeted many new faces in this spring's varsity girls tennis turnout. Only three returning lettermen formed the team nucleus for the eager but inexperienced squad.

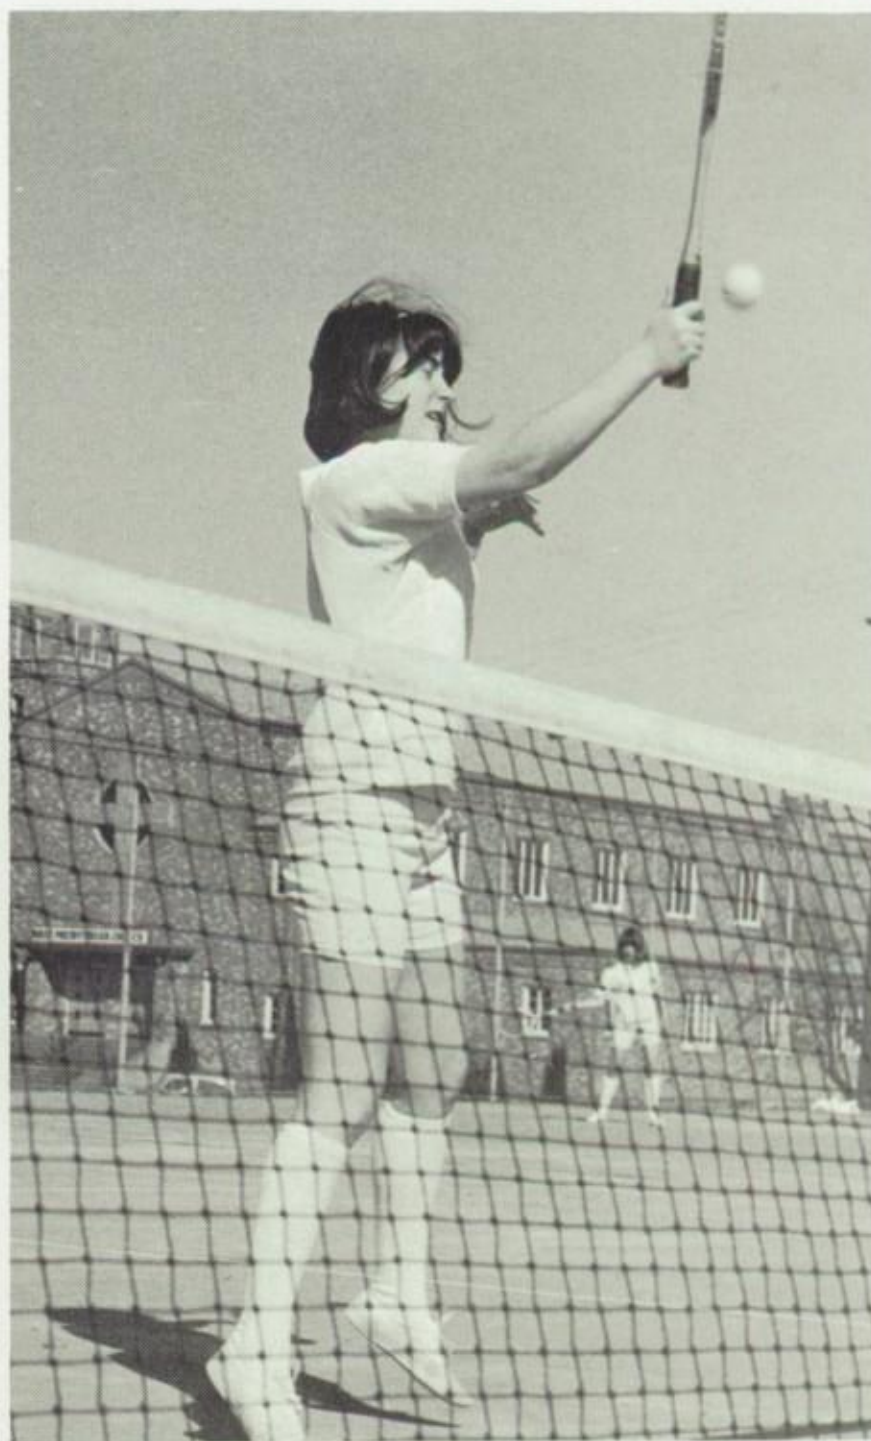

They faced a full Olympic league schedule and also competed with Olympia city league teams.

Coach Golz relied heavily on sophomore and junior talent. She drilled extensively on fundamentals with the aid of a new ball-serving machine that delivered balls during inside practice sessions. Turnouts were scheduled four nights a week instead of two, as last year.

# G.A.A. PROMOTES SPORTSMANSHIP, SKILL

The Girls' Athletic Association, ringing true to its motto, "A girl for every sport and a sport for every girl," offered basketball, volleyball, and bombardment for those who enjoy teamwork. Individual sports included Badminton, table tennis, bowling, archery, and gymnastics. All girls wishing to participate in these sports were eligible for G.A.A. membership. Members earned ten points towards a letter for each turnout. A bonus of fifteen points was given to the girls with perfect attendance, and letters awarded to girls who accumulated five hundred points.

Two select groups composed of G.A.A. members are the "sportheads" and the Girls Intramural Officials Association. Sportheads, appointed by the G.A.A. Cabinet, must organize their sport and keep an accurate account of points earned by each participant. To become an official in G.I.O.A. each girl is required to pass a strict examination on basketball rules and refereeing procedures.

To raise funds, members of G.A.A. sold doughnuts at lunchtime and held the annual West sweatshirt sale.

This year the G.A.A. Banquet was held on March 22. Girls were awarded their letters, six-letter winners were announced along with new officers and sportheads. Trophies were given out to the girls on all-star teams in bowling, basketball and volleyball. Trophies were also given to champions in badminton and table tennis. The highest honor a member of G.A.A. can receive is the Inspirational Award. Recipients of this award are chosen for ability, service, and sportsmanship.

## LETTERMEN KEEP BUSY WITH ACTIVITIES

Pep signs are put up for the Lettermen-Faculty game.

The Lettermen's Club of West High had a very enthusiastic and prosperous year. With the start of the fall semester the club became well organized under the leadership of the president, Jim White.

The first item on the agenda for the club was to start making plans for the first Lettermen-Faculty game in five years. This game turned out to be a huge success and a lot of fun for both sides. Game score was 35 to 31 in favor of the Faculty.

In the spring semester the Lettermen held their annual spring dance, in which they honored all the graduating senior lettermen and the outstanding athletes of the year.

## DEBATE CLUB ENJOYS ACTIVE YEAR

Two West High debate members debate against visiting team.

The Debate Club centered the year's activities around the topic "a plan of compulsory arbitration for settling labor management disputes arising in the basic industries." This year brought a new twist in debating, however, because for the first time debate was offered as a class, taught by coach, Mr. Don Bidwell.

The members began the year with a trip to the University of Puget Sound where they observed a model debate similar to the ones in which they would take part. The rest of the year's activities were based around debates of their own. Between regular tournaments, the debaters conducted practice debates among themselves after school.

In the fall, West was represented by two teams in a Bellingham tournament. Experience was gained through attendance and participation. The annual jamboree held at West brought the club twelve wins out of fifteen clashes.

## SPANISH CLUB HAS ACTIVE YEAR

The Spanish Club, under the leadership of its new advisor, Miss McDougall, got off to a good start this year. Membership pins, entertainment, and refreshments at every meeting were new improvements.

Officers for this year were Tony Smith, president; Tom McKenzie, vice-president; Diane Cohen, secretary; and Marilyn Carter, treasurer.

During the Christmas season, Spanish Club sponsored a basket of food which was given to a needy family. There was a Christmas party to which all the other language clubs were invited. Skits by each club, entertainment, food, and a pinata helped to make the party a success.

The club contributed to the American Field Service during its annual drive.

This year's French Club enjoyed many ambitious and worthwhile projects. The officers included president Jill Stoffel, vice-president Julie Marshall, secretary Patti Josephson, treasurer Linda Salmon, chairman of projects Bob Schutt, and our adviser, Mrs. Custer. The members were enthusiastic and participated in all the activities of the year.

The year began with a party for the new members. The guest speaker was a young French girl from Paris, France. The students were able to talk with her and compare French customs with American.

This was perhaps the busiest year ever for West's Latin Club. Led by president Rick Blondheim, the officers tried to build up both the membership and the treasury of the club. The other officers were vice-president, Dale Giberson; secretary, Jeanne Paquette; and treasurer, Betty Jane Bishop.

In November the club members attended the annual Junior Classical League Convention in Snohomish. Terry Schram, our program chairman, was elected state president at the convention. The members attended many interesting and informative workshops.

The election of Terry to a state office gave our group the responsibility of this year's spring planning meeting on April 16, and next year's convention. Junior Classical League members from all over the state will be coming to West for these two events.

The club had many interesting money-making activities this year, and other activities which were just for fun.

Future Nurses

FNA members give time and service to patients at the hospital.

## FNA MEMBERS LEARN MORE OF NURSING

The Future Nurses of West High School is a branch of the National Future Nurses Club of America. The members, provided they are sixteen, can work at Harrison Memorial Hospital, but if they are ineligible to work there, they may work at the Horton Nursing Home or the new convalescent center.

During the year the many club activities included a number of fund-raising projects.

They had food sales in the halls at school and a concession stand at one of the football games. Members were also kept busy helping the Salvation Army with Christmas projects, touring hospitals, and visiting various schools of nursing to further inform students about this profession. A doctor and several nurses gave talks to the club about opportunities and duties concerning nursing.

"W" Club officers: Margie White, Sharon Jones, and Donna Madden.

"W" Club is composed of those girls who have accumulated five hundred points and one letter in G.A.A.

One of the club's main projects is sponsoring the annual Sweetheart Swirl.

"W" Club members attend meeting to plan the Sweetheart Swirl.

The tolo dance is presented jointly by East High School's "E" Club and West's "W" Club. This year's theme was "Enchanted Evening."

This year's service projects included donating food for a needy family's Thanksgiving and providing a one hundred dollar scholarship fund for a "W" Club member.

# PHOTO MEMBERS LEARN NEW SKILLS

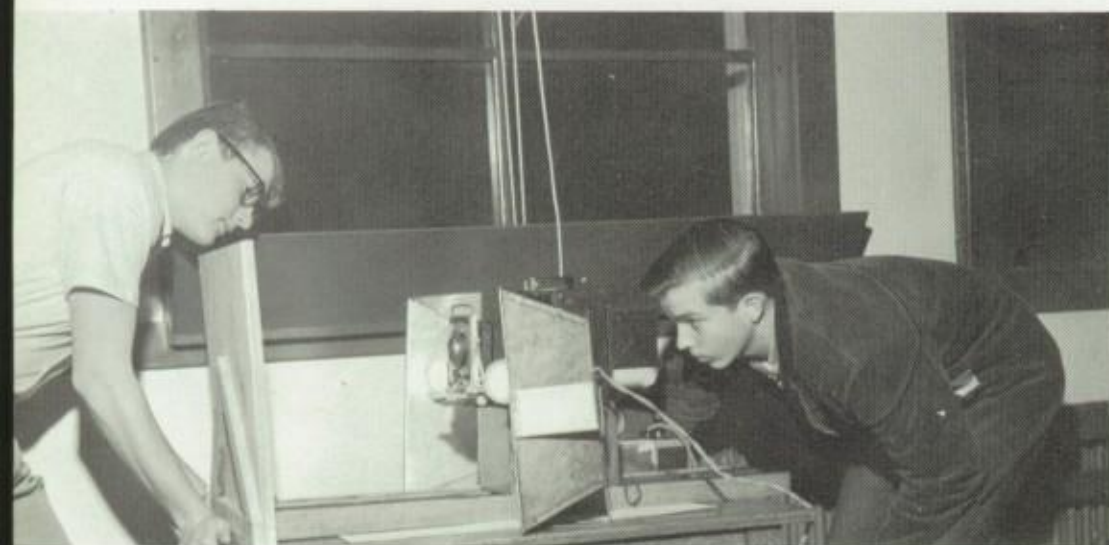

Photo Club members work hard and learn much about photography.

Photo Club is an organization in which you learn all about the camera, how to take good pictures, and the different things you can do with them.

The club was in charge of taking all pictures for A.S.B. cards at West, and also of the upcoming freshmen from Star of the Sea and Coontz schools.

The coming of spring brought a photo contest in which many club members participated. Ribbons were awarded for first, second, and third places. A candy sale near the end of the year raised money for the club's activities.

The Operators were led through the year by Eldon Wall, president, and Dennis Wilson, vice-president and secretary.

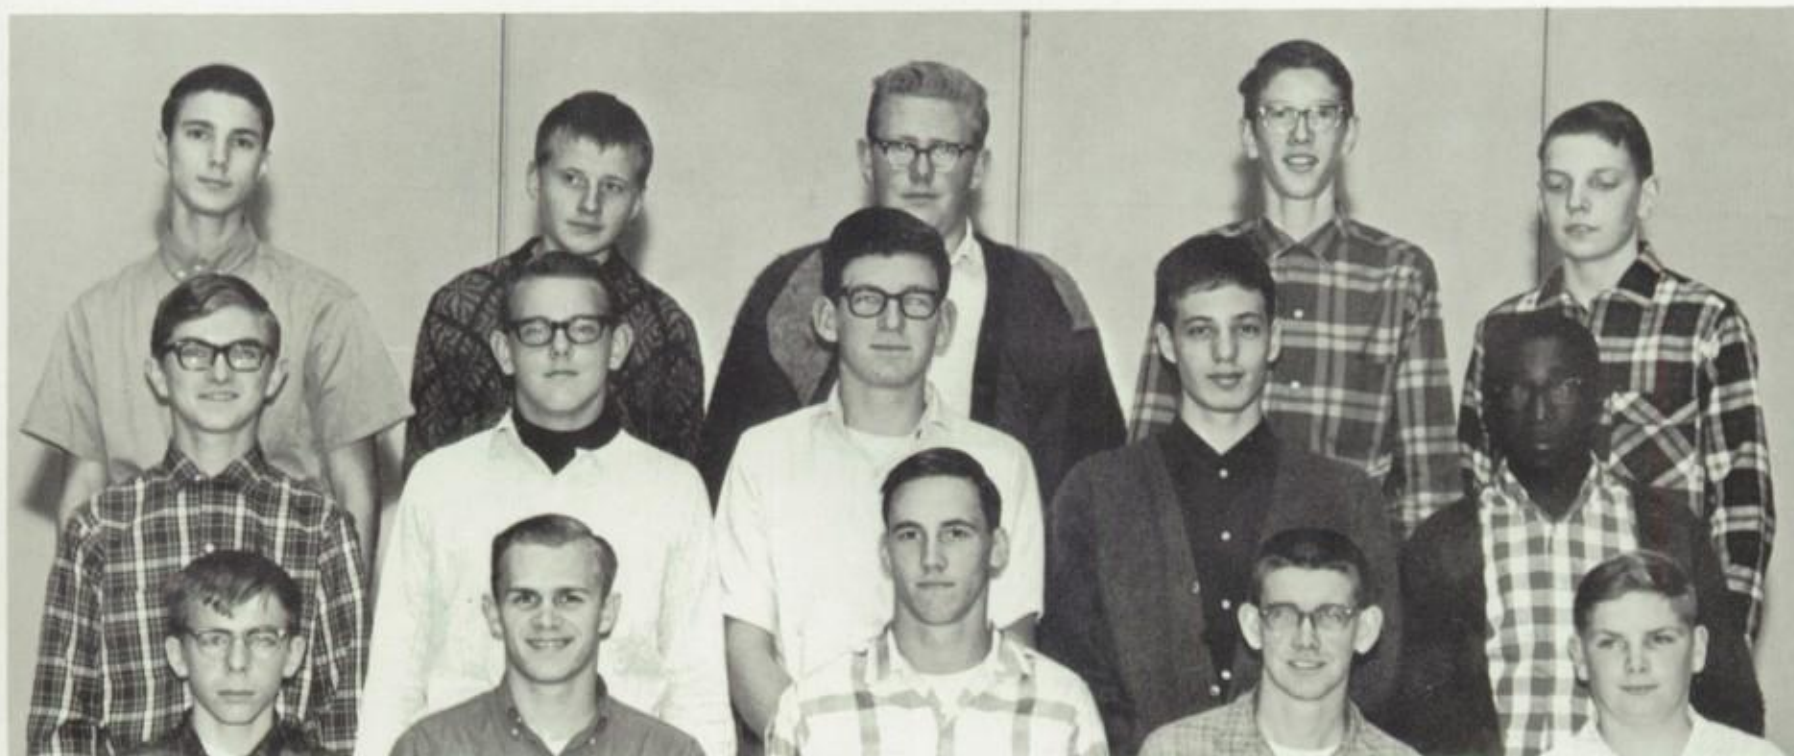

Operators do more than show films; there is work involved. They must set-up and tear-down. For set-up, the operator must arrive at school early and take projectors to the rooms which are going to use them that day. After school, an operator is sent around to pick up projectors and take them back to the attendance office.

For work on set-up and tear-down two and a half hours a week is earned. At the end of the year, if the operator has thirty hours, he is eligible to receive a school letter.

## TORCH HONOR OFFICERS WORK DUTIFULLY

The purpose of Torch Honor Society is to promote scholarship on each class level. This is achieved by restricting membership to those students achieving a 3.0 (B) average or better. Freshmen wishing to become members base their eligibility on their first quarter grades.

Participating in school activities and giving service to the school in as many ways as possible are the other two objectives of this club.

Two changes in the constitution were made this year. Freshmen are now allowed to join after the first quarter instead of the first semester, and their dues are for the last three quarters.

## NATIONAL HONOR MEMBERS EXCHANGE

The purpose of the National Honor Society is to stimulate a genuine interest in and desire to scholarship, leadership, and good citizenship.

To qualify for National Honor, a student must have a cumulative grade point average of 3.25; a junior must have acquired 80 points, a senior 110, and all must have the recommendation of six teachers.

The Society biannually conducts a student exchange with West's sister school, Mountain View, in Victoria, B.C.

As autumn arrived, it found the Outdoor Club all ready for an exciting year of hikes and ski trips. The first hike was to Mount Rainier. The exceptionally good weather and crisp air stirred the blood of the mighty group as they made the hike from Mowich Lake. Next they started out to Lena Lake in the Olympics where they saw a few traces of snow.

The good snow conditions this year prompted an early ski trip before the traditional Christmas trip. Schweitzer Basin in Idaho proved to be an excellent choice for the five-day trip.

Ski trips to Crystal Mountain, White Pass, and Stevens Pass kept the club busy all through the "better" season. The exceptional winter we had gave the members a year to remember.

The ocean hike from Lake Ozette made everyone stop regretting that the ski season had gone again for the year. Leaving right after school on Friday, they reached the ocean before dark, and had time to set up camp on the beach and relax around the campfires. Football, swimming, surfing, and beachcombing were just a few of the many different pastimes.

During the past year, the proper methods of survival in the wilderness and the safety required in the out-of-doors were explained to the one hundred fifty-six members. They saw many beautiful films of the Northwest and ski films from near and far. Jack Nagel of Crystal Mountain Ski School told them about the future plans of Crystal Mountain and showed slides of the new developments at the area.

To earn service points and raise money, the members sponsored a dance after the Lincoln football game, sold tickets to the senior play, had concessions at games, and had sales in the halls. Also service points could be earned by attending meetings, decorating the showcases, and doing odd jobs to help our advisor, Mr. Frederickson, or the Board. The person with the highest number of accumulated points for the year gets all his trips for the coming year free.

Outdoor Club members leave for a week at Schweitzer Basin in Idaho.

## MEMORIES LINGER WITH OUTDOOR CLUB

This year's officers were chosen at the end of last year from the active members. They were: president, Dirk Gleysteen; vice-president, Larry Allred; secretary, Margo Cohen; treasurer, Candy Carlson; entertainment chairman, Janis Presson; publicity chairman, Bobby Randall; and membership chairman, Tom Hamilton; with Mr. Dale Frederickson as advisor and actual "brains" of the club.

## TWO SMALL BUT WORTHWHILE CLUBS

### ASTRONOMY CLUB

The West High Astronomy Club was formed last year for the purpose of providing an opportunity for students interested in astronomy to learn more about their hobby.

The main objective of the organization this year was to obtain a telescope. Under the guidance of Mrs. Austin, the members acquired a substantial sum toward the purchase of this instrument.

One of the highlights of the year's activities was a program on space astronomy by Mr. Hal Bacon of the National Aeronautics and Space Administration. This program, arranged for the Astronomy Club by its educational chairman, Bob Schutt, proved to be very interesting and informative.

### SCIENCE CLUB

The club consists of several science-minded boys and Mr. Stout. DeWayne Noble was the president. The club had two sales and constructed a fresh water aquarium. It hopefully will be stocked with a rainbow trout fingerling.

The boys in the club are: Steve House, Bruce Colebank, Myke MacCannell, Charles Dost, Laurie Olafson, Jim Lockheed, Bill Little, Fred Achberger, DeWayne Noble, Paul Todd, Steve Langton, Wally Lew, Dave Delmendo, John Warren, and Dave Lynch.

The Science Club gave one hundred dollars to the Miller fund after their first sale, put a group project in the Science Fair, and made model rockets.

## DECA MEMBERS SELL FOR EXPERIENCE

The Distributive Education Club, more commonly known as Retailers' Club, is a class for students who plan to enter the business field.

Directed by Mr. Phil Royer, the organization contributed significantly to the development of its members.

Its president, Steve Bergquist, was assisted by vice-president, Jan Wocher; secretary, Diane MacDonald; treasurer, Dick French; corresponding secretary, Kathy Dyrness; historian, Patsy Wheeler; parliamentarian, Bill Wood; and governor, Bill Livingston.

The Retailers' Club was designed to instill the techniques of good salesmanship in its members. In order that this might be realized, the club sponsored a number of doughnut sales and a Fanny Farmer candy sale.

DECA is a practical experience in selling techniques, advertising, and on-the-job training.

# SPIRIT OF WORLD BROTHERHOOD CONTINUED

East-West American Field Service exchange students get together.

Competition between classes proves a successful means of raising funds for AFS.

Mr. Graham says "Farewell" to West's first AFS winter program participant, Dave Lynch.

The Bremerton Chapter of the American Field Service is composed of students from East and West High schools along with interested adults from the community.

Again this year West has kept up with the spirit of world brotherhood by completing another very active year. Through the efforts of hard working students and faculty members, the goal set for the fund raising drive was achieved. By means of fourth period competition the needed funds were raised in only two days.

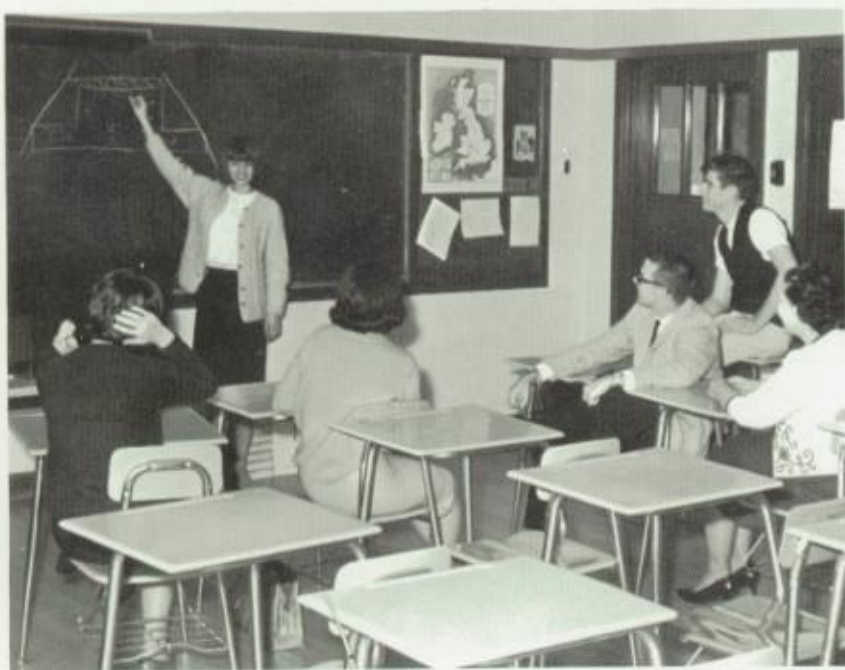

The activities of our two exchange students, Mele Howland who went to India and Atle Solheim who comes to us from Norway, have truly expressed the meaning of the AFS slogan, "Walk together, talk together, all ye peoples of the earth. Then and only then can ye have peace."

## C OF C MEMBERS WORK LONG HOURS TO

Chamber of Commerce officers and advisers work hard on Homecoming plans.

This year the Chamber of Commerce was led by President Georgia Bramwell, Vice-President Julie Marshall, Secretary Kathy Smith, Treasurer Margo Cohen, and Sergeant-at-arms Gordy Lent.

The objective of the club at the start of the school year was to make this year's Homecoming the most memorable one ever. Reigning over the activities was Queen Robin Tobacco and her court: Princess Patti Josephson, Princess Joyce Wilson, Princess Darce McMahon and Princess Kris Fedt. The theme "Only Forever" was carried out in the school colors of blue and gold. The four days of festivities included a bonfire, car caravan and the game with Wilson.

## MAKE HOMEcoming A GREAT SUCCESS

Chamber of Commerce could not have been successful without the help of our advisers, Mr. Don Bidwell, Mr. Reed Fry, and Miss Norma Oakland.

Funds were raised for the scholarship to be

awarded at the end of the year to a deserving club member by selling tickets for the dance and Senior class play, program sales, concessions and by selling mums, the official corsage of the Homecoming dance.

## FTA CREATES ENTHUSIASM FOR TEACHING

The purpose of the Future Teachers of America is to stimulate interest in the teaching profession, while at the same time performing various service projects.

F.T.A. officers, elected the preceding spring, served with a new adviser, Mr. Robert Hall, who added vigor and spirit to the club.

It is possible that this summer F.T.A. Volunteers may tutor the children of migrant farm workers on Bainbridge Island. If finally carried out, this plan will be a valuable innovation.

Several activities have been organized to further interest in the field of education as a career. Late in February, the regional conference was held, featuring guest speakers and educational workshops. Regional officers were elected from among the delegates of the various schools. In March, the Future Teachers Club traveled to Bellingham to tour the campus of Western Washington State College.

## TWO ACTIVE GROUPS HOLD MEETINGS

### HOMEMAKING CLUB

The homemaking club's main interests were promoting student interest in home economics through the sharing of ideas. This year they had meetings on the second and fourth Wednesdays of the month.

Among their shared interests were demonstrations by the members as well as by professional demonstrators. They made cookies to contribute to the food drive.

The officers for this year were: Linda Larson, president; Linda Johnson, vice-president; Debbie Bass, secretary; Carol Finley, treasurer; and Lynette Criddle, reporter.

### JUNIOR RED CROSS

The Junior Red Cross of West High School is a branch of the American Red Cross.

The annual money drive in November, the dance, and the hall sales were a big success due to the many generous students who participated.

Club meetings had a serious tone for Red Cross members with the help of the officers: President Leslie Smith, Vice-president Shelly Rockwell, and Secretary-Treasurer Nanci Walsh. Under the guidance of Mrs. Teruko Daniel, Junior Red Cross had a very successful year.

## TWO SMALLER CLUBS ASSIST STUDENTS

### STUDENT LIBRARIANS

One of the hardest working groups in the academic program at West High is the student librarians who operate the timer, circulate books, magazines and pamphlets, shelve books, and take inventory. Whenever there is a spare moment they mend and refurbish books.

To join this service organization, a C average and a cheerful desire to contribute to a smooth-running library program are required.

The benefits received include one credit and library skills useful in any scholastic endeavor, as well as job training.

### STAGE CREW

West High Stage Crew is composed of boys who wish to serve their school. The members work at all the home football games, basketball games, dances, assemblies, and all other activities in the West High gym. These boys also work on such school functions as homecoming and senior ball, and help the counselors with tests in the study halls with a public address system.

The stage crew was also in charge of the jukebox in the lunch room. They turned it on and off, changed and maintained the records in it.

## PEP SIGNS BOOST STUDENT ENTHUSIASM

One of the largest and most important clubs at West is Pep Club. Its purpose is to promote school spirit and to give support to our teams.

This year Pep Club was made up of one hundred twenty members. Their attendance at games helped to spur the team on to victory.

Sign-painting was another activity important to Pep Club. This year competition between the classes was introduced to arouse interest. At the end of basketball season, the best sign from each class was chosen and presented at a pep assembly. The class with the best sign was honored at the next pep assembly with a skit presented by the losing classes.

Blue and gold beanies were sold by Pep Club

as a money-making project and also to supply Pep Club members with part of their uniforms. The members wore white blouses with small "W" emblems and dark skirts. These outfits, combined with the beanies, made the pep section very impressive.

Pep Club sponsored a dance featuring the Raymarks. The proceeds of the dance went into the excursion fund. The purpose of this was to cut the cost of excursions and to increase the participation in excursions.

Because of the participation of the students, and the enthusiasm of our new advisor, Miss Marbut, Pep Club enjoyed a very prosperous year.

## PEP CLUB SPIRIT BOOSTS TEAM

Pep Club turns out in large numbers to show their support for their team.

A dark, high-contrast photograph. In the upper left, a person's silhouette is visible, looking out a window. The window has a grid pattern with three panes. The rest of the image is dark and blurry, with some light reflecting off a surface at the bottom.

MR. ART  
BROETJE  
Vice-Principal

*Art Broetje*  
"THE JOKE"

Every effort is made to keep students in school. Countless millions of federal dollars are being spent in programs to encourage students to stay in school. We at West High School adapt our course offerings so that they may interest and challenge everyone. Rules and regulations are set up which we think are fair to all. Students are guided and encouraged to get the maximum from the school's offerings. It is becoming more and more difficult for a non-high school graduate to get a worthwhile position.

Now all this can be summed up in three short words—"Stay in school." We sincerely want every student enrolled to remain with us and complete his graduation requirements. Never before in history has the completion of high school been more important than it is today.

FRANK,  
I'll NEVER  
FORGET THE GREAT  
TIMES WE HAD DURING  
FOOTBALL, EVEN IF WE DIDN'T  
WIN. I MAY HAVE GIVEN YOU A  
BAD TIME ONCE OR TWICE BUT I GREAT  
WANT YOU TO NO YOU'RE REALLY A GREAT  
GUY.  
GOOD LUCK IN THE FUTURE  
STEVE HOLL

FRANK -

The utmost congrats on that  
fabulous class will it was the very best  
one even if out of the whole school we

Dear Frankie, <sup>1st</sup> <sup>2nd</sup> we were 90% of the  
one who understood it

By  
Mike Maier

You are one of  
the most understanding  
boys that I have ever  
met. You must get sick  
of listening to me. It  
hardly seems possible  
that you guys are grad-  
uating. I know I'll really  
miss ya'. I hope I can  
see ya' around this summer.  
Have fun and be careful.

Love ya;  
Caljee Ullock

Hey Frank, I don't seem like  
I should be graduating. You'd  
have a great time at college. Heck with it!  
I know you will!  
Mike Jordan

FRANK, S.O.B.  
you old been around with  
to run like the night with  
this picture and don't knock  
it easy  
Mike

Dear Frank, I really want to tell you  
but I know you had times  
so very good and we've never  
many together and I'll  
forget any see you a lot  
hope summer and I'll  
this summer remember you  
always yours  
Pat.

Frank  
you are the best  
P-E. Assistant  
Had. and you are  
a good guy, your  
sincerely  
Richardson

Frank-  
you're the only  
guy who is far-  
out and cool that  
I've had the pleasure  
to know this year!  
If you ever need to  
know anything - just ask  
me! Good luck in the  
future! Tom Burris

Frank,  
It's really been  
great knowing you  
these past couple  
years. Good luck  
in the future  
Be good?!  
Love  
G

Love ya  
Dad

FRANK,

Well it's really been  
A blast knowing you the  
past year, you're a swell  
guy and I just love ya that  
way. I wish you the best of  
luck at O.C. and always

Kathie  
(Silkway)

Dear Frankie,  
We're a nut and  
you're a great tomato  
It's been great having  
you here always stay that  
way. and please. Thank  
you. Big Brother.  
Love ya.  
Mom

Frank  
It's been  
great this year knowing  
you as a good kid. You've been  
lots of luck in summer too. Well,  
you attempt to do everything. Cheri

Frank,  
It's been a pretty good  
class with you in it  
this year. Take it easy this  
summer. Watch out for Ramm  
Come up to the house sometime.  
Frank, Jerry Saunders

It's been kicks  
up the wazoo raisin so  
much. Hell with ya this  
year. Stay cool, Frank.  
Best of luck.

Mark  
Morrow

Frank,

We practically grew up  
together -- being neighbors  
kinda and everything. It  
has been fun and I'm  
afraid we are good friends.  
Good luck always  
Love ya,

Jeff Daffner

Frank,  
I really think you're a sweet  
person 'cause I love to mess around  
with you. You're lots of fun to be with.  
Like you are a good luck always!

Patty Parker '67

Frank,  
You were a great P.E.  
asst. this year. My  
Grade wouldn't have  
been the same without  
you. Have fun this  
summer but don't  
get caught with  
your pants  
down. Later  
Doug  
Honey

FRANK,  
I've really enjoyed  
knowing you this  
year. You are really  
a cool person and  
I know you'll go far.  
You'll have to come  
over and see me this  
summer if you have  
time. Have fun this  
summer. Be good! na  
Love, Jacques

Frank,

Roses are wilted,  
Poleto are dead  
Sugar bowls are  
empty in  
and so is  
your head.

Good luck  
always! Stay out  
of trouble!

Raggy "7/1"

Frank, really enjoyed  
getting to know this  
for you're really sweet  
and I hope you stay  
that way. Best of luck  
always,  
Marcia  
Anderson

I know a guy,  
his name is Frank!  
He is destined to live his life  
the drunk tank

Frank,  
I'm really proud of you  
but you didn't  
make it,  
you're really  
gonna  
take it  
this  
summer.  
Love ya,  
Linda  
Salmon

Frank,  
Well, you  
made it! You're  
finally getting out  
of this hole. I  
don't know how  
you got to know  
I'm really proud  
of you, but you  
didn't make it,  
you're really  
gonna take it  
this summer.  
Love ya,  
Linda  
Salmon

Frank,  
I'm really proud of you  
but you didn't  
make it,  
you're really

Frank,

I'm really  
glad I got to know  
you. You're really a  
nice guy. I hope you  
keep your nice personality.  
Good luck always.

Love,  
Bonnie

Frank,  
I got a really nice  
letter from you. I  
love it. I'm really  
glad you're a nice  
guy. I hope you  
keep your nice  
personality. Good  
luck always.

Love,  
Bonnie

Frank,  
I know you have had  
fun this year, but wait  
for next year! You will  
be out. I don't need to  
tell you to have  
fun. I just need to  
over and it doesn't make  
sense. Oh well, consider  
the source! Love,  
Jessica

Frank, I think you're a  
very enjoyable person  
and a cool head and I  
love you. I hope you  
and I can be friends  
for a long time.  
Love,  
Bonnie

Thank you for all the love  
I've received from you  
and your family. I hope  
you have a great summer  
and always love you  
Frank

Frank!  
I'm glad I
